Screenin is an online platform that **facilitates electronic secure and self-service screening for access.**

We store limited data

The only identity data we store is:

Other third-party services will not be able to track your identity.

You may request for your identification data to be deleted on our servers

You can do so by emailing hello@scrn.in with the mobile number you screened in with.

We will then delete your mobile number, identification details and User ID from our server. This renders meaningless all data that you exchanged with our platform, because that data will no longer be associated with you.

Your data will only be used for COVID-19 store screening.

Any data shared with the Screen.in site will only be used solely for contact tracing of persons possibly exposed to COVID-19.

3. I also agree and give express consent to **Store Owner** and its agent(s) to obtain, process and further process my Protected Personal Information (PPI) for any lawful purposes relating to its COVID-19 preventative measures implemented at these premises. 7. In the event that **Store Owner or Screenin** makes any indulgence or deviation of these terms and conditions in favour of me, then such indulgence or deviation shall not be misconstrued to be a breach or waiver of these terms and conditions or any rights of Screenin.

8. The above clauses are severable from each other. In the event that any clause or part thereof is unenforceable in law, then that clause or part thereof shall be severed from these terms and conditions, and the surviving clauses and parts thereof shall remain in force.
